about VALIANT XPLORERS

Valiant Explorers is an adventure sports events company specialises in promoting healthy stress-free and exciting sports all over the world. We do foster other sports like Football, Cricket, Golf and Polo. But our expertise and inclination is to promote adventure into all these sports. We want to promote sports for the beginners like students as well as people who have forgotten their sports instinct like corporates. Our team of professionals have researched the best available sports promoting venues where they can forget their office stress and simply get aroused into the adventure of healthy living. Be it Europe or Asia or America or Australasia, we can customise the closest available venues for them to enjoy the nature and rejuvenate their lost vitality and vigour.

Baldev Singh

Tour Coach cum player,
Valiant Explorers Cricket Team

tour INTRODUCTION

I am excited to inform that Valiant Explorers Cricket Team (a part of Valiant Events Explorers Pvt. Ltd.) is touring Australia in 2024 on a cricket cum leisure tour from 20th March to 10th April which includes 7 confirmed matches and one proposed match against various clubs and amateur teams of Australia. The tour will have lots of confirmed leisure and sight-seeing trips along with shopping time reserved before and after strenuous daily work-outs. Regular team briefings and after match ceremonies at the end of every match will act as a fruitful interaction with the Australian Counterparts. All our tour matches are covered online on CricHeroes app and are visible all over the world.

While preparing the tour itinerary, we have kept in mind that our touring lads witness all the major 3 cities of Australia and play in different Aussie conditions. Our tour not only includes competitive matches but also High-Performance Training Camp under International Level 3 Coach. The boys touring with us need not only matches but also a Coach who can rectify their blemishes during the game. We have kept in mind that all our boys play at different situations during these matches so that they absorb the best out of these matches and learn to develop different shots and improve.

This tour will prosper friendly relations between both two countries as a whole. The main aim of taking such a tour is to interact with players of other countries and promote friendly relations. Additionally, we want to promote

Rajasthan as a Cricketing destination overseas. We've a rich cricketing culture historically since this game was introduced by the Royal family of Mewar in Udaipur before independence. Further, it was passed to the large population of 2 big Metropolitan cities of Jaipur & Jodhpur in 80 & 90's. These 2 cities boost of International Stadiums with budding young cricketers. During this century, tier 2 cities like Bikaner, Kota, Dholpur, Baran etc also started producing cricketers for Rajasthan and this season Rajasthan came into the finals of One-Day Ranji Trophy but lost. Rajasthan couldn't better their record of losing 9 Ranji finals and winning twice.

Cricket events in India are getting professional with every passing year and new strategies are being developed with regard to making people-to-people contacts for business and self. In this scenario, our Australian tour will broaden thinking of our cricketers in terms of maintaining their daily routine, taking care of their body and following a strict lifestyle will develop them holistically.

Valiant Explorers believes in strategically managing their key assets that include sponsors, partners and corporate clients by creating a synergistic environment where all assets benefit from each other and enhance the value of each associated organisation. Valiant Explorers is known for innovation in all areas both on and off the field, our leadership and organizational aggression on the field and our passion for events, place us above our competitors and enhance the brand value of our corporate clients worldwide. During our tour to Australia, we are promoting our sponsors like DiClasse sportswear, Solosun Cricket Gears etc.

The tour itinerary detailing each day and activity are covered in this brochure along with tour matches. We look forward to this tour and lifelong friendships later on...

Baldev Singh
Tour Coach cum Player,
Valiant Explorers Cricket Team

MESSAGE

I am glad to know that Valiant Explorers Pvt Ltd. is coming out with their second magazine covering their cricket events and achievements. Over a period of time Valiant Explorers have conducted cricket activities in Rajasthan and have successfully completed overseas events.

It is always good to invite foreign coaches to India to exchange their techniques and drills. On the same lines, Valiant Explorers have conducted a cricket camp at Pragati Public Sr. Secondary School, Kota under Mr Brad Murphy from Brisbane (Australia). Similarly, our boys and coaches should visit foreign countries like Australia, U.K and other cricketing nations to exchange latest cricketing skills among our boys.

It was praiseworthy of Valiant Explorers to tour South African and England in April 2018 and November 2022 such foreign events should be encouraged with a gesture of camaraderie. Valiant Explorers have scheduled cricket tours to Australia, NZ & Sri Lanka in 2024.

I wish them good luck for their future endeavors.

(Gajendra Singh Shekhawat)

Cabinet Minister,
Jal Shakti Ministry,
Govt. of India

MESSAGE

I am pleased to know that Valiant Explorers Pvt Ltd. had concluded a High-Performance Training camp at Kota under Mr. Brad Murphy during the summer vacations in 2018 and organized various cricket activities for young boys including Valiant Cricket Triangular Series, Sharjah in 2022 where I was the Chief Guest during the Certificate Distribution Ceremony in the Day/Night Finals. These types of cricket events are very important for the development of basic sports skills and should be encouraged at large.

I hope more such cricket events are held by them at various corners of the country for the promotion of sports at young age. I profoundly promote the phrase of "Healthy mind in healthy body".

It is good to learn about your cricket tours to Sri Lanka, Australia & N.Z under the Valiant Explorers Cricket Team. Hope they get a life time experience of playing various matches that will always be rich in their memory.

I wish them good luck in their future sports projects.

A handwritten signature in blue ink that reads "Manoj Tiwari".

MESSAGE

I' am glad to acknowledge that Valiant Explorers Pvt. Ltd. is organising a High Performance Training Camps at Brisbane & Auckland for young talented Indian boys along with competitive matches.

The colts carry lot of responsibilities in the present day cricket since they are the future of our Indian cricket so they should be groomed properly. Boys have to spend long hours for polishing their talent and these cricket camps are perfect platform for achieving this goal. It is nice to generate motivation among the colts to play and support the game in every manner. I hope more such Training Camps are being done in Jaipur by your organization.

It is nice to know that your company is having exchange programs with foreign Coaches on frequent basis like Mr. Brad Murphy and others. Subsequently, Valiant Explorer's Australia & New Zealand cricket tour is expected in March 2024.

I pass my best wishes to your organization committee for your Australia & N.Z Cricket Tour.

MESSAGE

I am pleased to know that Valiant Explorers Pvt Ltd. is organizing a Cricket and Leisure Tour to Australia and New Zealand in 2024 with High Performance Training Camps & competitive matches.

Valiant have concluded cricket camps earlier in India with Mr. Brad Murphy and are organizing various cricket activities for young cricketers including previously concluded South African Cricket Tour. These types of cricket programs are very important for the development of basic sports skills among youngsters and should be encouraged at large. I hope more of these cricket clinics are held by them at various corners of India for the promotion of sports at young age.

It is good to learn about their Cricket Tours to Sri Lanka, Australia & New Zealand. Hope the lads get a life time experience of playing matches in different atmosphere.

I wish them good luck for future sports projects.
